WE ARE BACK WITH GUSTO!

The ceramic artists of the Eastern Cape certainly made a statement at the regional exhibition held at the GFI gallery.

It was an outstanding show, and we extend our heartfelt thanks to both local and invited artists for making it such a success.

We would also like to express our gratitude to our sponsors, Andile Dyalvane, Van Tuyls Kilns and Furnaces, galleries and volunteers who have continued to support us.

Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

We are thrilled to offer such a diverse array of opportunities and events for our artists this year. These platforms not only showcase the incredible talent within the Eastern Cape but also foster a sense of community and growth among ceramic artists.

Please help us to elevate and promote Eastern Cape ceramics by participating and supporting these events.

Let's continue to create, inspire, and support each other in all our artistic endeavors.

Looking forward to seeing all the amazing work our artists will bring to these events and exhibitions. Stay creative!
