

TERMS AND CONDITIONS JURIED PREMIER EXHIBITION AND NEW SIGNATURE EXHIBITION

SELECTION PROCESS

- All entries go through an online selection process by image.
- 3 images of each entry is required.
- Include a matchbox to indicate scale in at least one image of the entered piece.
- The link to submit will be on the Ceramics Southern Africa website.
- Please make sure you have registered your profile on the website.
- Be thorough in your ceramic artist statement and description of the entered piece and the process.
- Online submission opens at 9am on Monday 3 July.
- Online submission closes at 7pm on Saturday 6 July.
- No late entries will be accepted.
- To qualify for entry you must be a paid up member of the Ceramics SA Western Cape region.
- At all times the works will be anonymous during the online selection and awards process.
- The selectors' decision will be final.
- Selectors' comments can be requested via email.

IMAGES FOR SELECTION

- For each piece you submit you are required to prepare up to 3 images of the piece.
- One image can be a detail of the work.
- Be sure to submit the best images possible.
- Images must be as true to the piece as possible.
- These images should be medium size and up to 2Mb max each.
- The work is to be photographed against a white, grey or neutral background and base.
- Ceramics SA reserves the right to use your images for the catalogue, publicity and marketing purposes.

CONDITIONS OF ENTRY

- Entries must be your own original work, concept and build.
- All entries must be for sale.
- A set, group or installation will be sold for one price.
- Under no circumstances will these works be broken up and sold in part.
- The Premier or New Signature piece entered may not have previously been entered in a competition or exhibition.
- All parts of the ceramic work must have gone through a firing process.
- Mixed media work must be predominantly ceramic ie. 80% clay / 20% other material.
- Selectors will not accept work that is a copy of work by another ceramic artist.
- Plates, hanging pieces or suspended items must include stands/wires with clear instructions.
